UNDER THE

FOREWORD

In this corner of our Big Top at BHS we shall brush away the sawdust, fluff up a bale of hay, reach for a pink lemonade and think back through our life—especially in '52 and '53.

From administration to faculty, from Juniors and Seniors to underclassmen—we all joined in to raise the annual canvas, tune up the big bass drum or oil down an elephant and begin our show with precise timing.

Life is a guide wire which we, as tight-rope walkers, must cross with care. The firm platform ahead, distant but always in sight, is the reward of a sure-footed performer. Many good friends will be waiting there—while others will join us in years to come.

W. ROSS ANDRE
Superintendent of Schools

DEDICATION . . .

. . . to W. Ross Andre, newly appointed Superintendent of the Bernardsville School System. As he stands under the bright rays of all spot lights, we see a quiet, neat, little man with a twinkle in his eye and a smile of sincere friendliness for all.

Mr. Andre was born in Stroudsburg, Pennsylvania. He lived in Easton, Pennsylvania, before moving to 28 Allen Street in Basking Ridge. Here he now lives in a comfortable white house with his charming wife, Greta.

The total of years Mr. Andre has spent in Bernards High equal twenty-nine. Six of these years he spent teaching mathematics; for twenty-two years he was the Principal of BHS; and for this past year he has held the position of our "head man under the Big Top."

Although this is not the first time the Bernardian has ever been dedicated to you, Mr. Andre, it is the first time we—the class of '53—has ever been able to publicly say "thanks" for all your help in our four years under this canvas.

We are proud to dedicate to you, Sir, our friendship, our best wishes and our Bernardian!

A familiar scene under our Big Top.

Mr. and Mrs. Andre pay a visit to royalty.

Mrs. Hutcheson was Mr. Andre's secretary when he was principal.

THE WHEELS WHO KEEP OUR SHOW ROLLING

My desire for the class of '53 is that you attain the success you desire. May you have, along with success, my sincere wish for your happiness through all the future.

'53 CLASS HISTORY

The Parade of freshmen introduced the performers of the '53 circus. Each year we added more exciting acts and more versatile performers to our ever-growing rings of fun.

In the freshman year, timid, like mice that merely infest circus grounds, we selected Don Koppes as president to lead us through the maze of the "Freshman Return Party." By our Sophomore year we gained confidence and put our abilities into the "Baby Party," Don again president.

Our Junior year rivaled the chattering, playful monkey. Under President Dan Kirby, we proudly displayed class rings, decorated the halls for Christmas, and plunged the school into "Marine Fantasy" depths, our Junior Prom.

At last, kings of BHS—mighty lions roaring for "our privileges!" At Christmas, "Winter Wonderland" descended upon our gym as the Senior Prom.

Though leaving, we know our memories will linger on, even as the magic and glamour of a thrilling circus performance lingers long after the grand finale.

54 CLASS HISTORY

As Freshmen, we entered BHS as bewildered as the kiddies of the class of '56, who have become our charges.

We wandered about at football games, cheering loudly for "good old BHS," but we were sure the members of our opposing schools could never have guessed we were mere "frosh."

Joe Brush was chosen as our capable ringmaster in our first election, and we were relieved to have found a leader who appointed successful committees for the "Freshman Return Party," our own big act.

The year passed quickly and many of our number starred in Chorus I, J.V. football and basketball.

When the fall of 1951 dimmed the horizon, we were glad to take off the cloak of "babies" and become the jokers who tortured the eager Freshmen with—"You grandstanders."

Joe Brush was again chosen class president. We were old hands at the canvas in BHS.

The following fall, as Juniors, we became "upperclassmen" ready to take on the duties of setting examples, putting on a prom, sponsoring the perennial bewildered freshmen. To lead our ship of state we chose Dave Koppes.

With assistance from Jim Mazo, Evelyn Alldach and Bob Berringer, we settled down to become solid citizens of BHS.

As leaders, and members of the next Senior class, we hope to bring as much honor and glory to our school as past graduating classes. Such a noble sentiment should prove beyond a doubt that we are stars in our own ring!

'55 CLASS HISTORY

We were the same as most Freshmen entering BHS looking for an elevator and a third floor.

We have experienced the same shows as most, the first football game of the season, the dressing up for the baby party and then the basketball games.

This year the shoe was on the other foot, we were looking forward to teasing the Freshmen. We still were not part of the upper classmen but at least we weren't the "babies" as Mrs. Allen called us on our first vocal concert.

Gary Snable, Alex Sutherland and Marilyn Smith were elected as our class officers for the second time. They were in charge of the "Baby Party."

Our class was just the same as most, but we had a few students who were exceptional.

The Sophomores were part of the football team, too, this year, with Gary on the team. We also had four girls, Nancy Holman, Elaine Germuska, Frances De Vanna, and Jocelyn Douglass, who made cheerleading. Mary Szarek and Gail Ramsey were twirlers.

And as the spotlight dims on the second act of our own show "under the Big Top at BHS," another year must go by before we can have the center ring all to ourselves as Seniors, Class of 1955!

'56 CLASS HISTORY

September 1952 brought a new crop of lowly freshmen to the doors of BHS. We, the class of '56, tried not to act like Freshmen as the Junior sponsors showed us around our new tenting grounds.

The next few days were bewildering, but soon we were in the swing of things—then the Sophomores invited us to the Baby Party. It shattered our pride to have our knees showing beneath diapers, but we survived and had a grand time, too. Later we gave the Freshman Return Party for the Sophomores and Juniors. There was an abundance of music, food, and fun and we hope our guests enjoyed the party as much as we did.

The Freshman chorus sang with the "big" chorus at the Christmas Program and Spring Concert, and Dawn Dickinson played the beautiful part of the Madonna.

We thought the school play was a success, and we were especially proud that Bette Losaw, another Freshman, played her role very well.

In February we elected class officers. Dan Ferry was voted president, Janice Cox, vice-president; and Andy Skonberg, secretary-treasurer. The Freshman class was then complete.

Since our first days at BHS we were caught in a web of school work and activities. Now we're looking forward to three more years as wonderful as our Freshman year!

STUDENT COUNCIL OFFICERS
T. Germuska—Treasurer. D. Koppes—Vice President. D. Kirby—President. G. Simpson—Secretary.

The Student Council of Bernards High was made up of representatives from each homeroom, and from all the clubs and activities. Only the representatives from the homerooms were allowed to vote. The rest made suggestions and joined in the discussions; they were not allowed to make or second any motions. The meetings were held every other Monday, with Mr. Watson as adviser. At each meeting, problems were discussed which direclty affected the students—who presented such problems or suggestions to Council.

Many times committees were appointed to look into the various conditions and, in certain cases, money was appropriated to the various activities concerned in order to remedy the situations.

During November several representatives were sent to Rutgers, where they, along with representatives from other schools, discussed problems common to all high school councils.

SERVICE CORPS

Can anyone imagine what a circus the halls and stairways of BHS would be without the Service Corps! If one did not notice this group in action while touring the area, they must have been strictly "grand standing."

It can be explained that the Service Corps consisted of a select group of ever-helping, ever-smiling Seniors. Their job was to keep the traffic flowing smoothly throughout the puzzling maze of halls and stairways of BHS. Of course, they were always ready to give a bit of helpful advice to a slightly lost Freshman or new student. With the help of the Corps, it didn't take long for them to become well acquainted with the "where's" and "how's" of life under the Big Top of BHS.

This year the Service Corps was under the able direction of co-captains Betty Struthers and Ed Moose., Mr. Macadam was their adviser.

USHERS

At all the concerts and school programs which BHS had, the ushers were always on hand. These girls, under the leadership of Sally Downs and Jeanne Niebel, were of help in seating the audiences in the auditorium. Sometimes wearing suits, and other times attired in evening gowns, the ushers always started the evenings off with a smile and gave a friendly atmosphere to all the performances. One could also have seen Mr. Macadam at these affairs, ready to do his part as the adviser of such a "crew."

TICKET TAKERS

"Tickets, please!" The source of this expression was none other than our own ticket takers. Those fine looking boys, who met the audiences at our school functions needed no "Red Wagon" to "bark" from. Standing at all the entrances to the auditorium, these boys, under the leadership of Mr. Macadam, saw to it that everyone was efficiently and courteously presented to the waiting line of ushers. Another crew, under Mr. Watson, handled the tickets at the gates of all home games.

DANCE COMMITTEE

Credit must be given to the enlarged Dance Committee, under the tri-leadership of Jeanne Niebel, Mary Jane Kunz and Ronnie Johnston, for planning the enjoyable dances which relieved the study tension of many BHS students. All money received at these dances was used in buying the latest craze in records. Although they had these "top-hit" records, the committee hired a band for a few of the dances and found these successful. Because of their annual success, the Dance Committee remains one of Bernards High's most popular organizations.

CHORUS

This year, as always, the chorus of BHS ranked high in the many school activities. Under the direction of Mrs. Allan-Allen, they put on interesting choral programs at Christmas and in the Spring. Besides the two concerts, the chorus was invited to attend the Spring Festival in Trenton, where they competed with many other choral groups. Bernards High was fortunate to have thirteen of its chorus members in the New Jersey All-State Chorus.

Along with practicing music and presenting musical programs, the chorus had an annual picnic in the Spring, and the Junior-Senior party for the girls. The president this year was John Weinhofer, and the vice-president was Gail Parker.

ORCHESTRA

The orchestra did quite well for itself this year. Along with playing at the production of the high school play, it also worked very hard to present an outstanding Spring Concert. At this concert, the highlights were the "Russian Sailor's Dance," "Petite Bourée," and the Finale from Beethoven's 5th Symphony.

Mr. Bruno, the unsung hero of the violin section, spent much time individually helping these players, but the man who deserves the credit for successfully directing this orchestra, was the conductor, Mr. Cotter.

B. H. S. BAND

This year the band began school a week early. During the last part of August, the hills surrounding Camp Yo-Men-Ca echoed to the sounds of the Bernards High marching band. All the band members, cheerleaders, color guards and twirlers spent a week practicing for the coming football season. As a result, all the half-time shows were of the highest caliber.

The success and fame which the band enjoyed at its Spring Concert and at all the other performances, was due to the able direction of Mr. "Doc" Cotter.

CHEERLEADERS

T-E-A-M, Yea team! By these familiar shouts we know our cheerleaders are at work—and a grand job they did this year. The Varsity Squad, with Barbara Trepiccione as their ringleader, cheered at the football and basketball games, and added new twists to our pep meetings, held in the auditorium.

The J. V. squad, equally essential, was led by Deanne Farese. They cheered at all the J. V. football and basketball games, and at the home varsity games.

The cheerleaders certainly added color and spirit to the games; they were an important part of our school spirit.

TWIRLERS

This year's six twirlers, led by their high-stepping majorette Mary Jo Primavera, showed their originality by the variety of their routines, which were put on during football games. Something new had been added! A fire baton and a combination of twirling and dancing to a waltz and a Charleston.

Besides these fine performances, all twirlers attended the services at Lindaberry Park on Memorial Day.

COLOR GUARDS

Hats off to the Color Guards who so proudly bore the six flags for Bernards High at football games! There was a change in the usual routine; a rifle drill was used at the beginning of the fan-fare and also a half-time performance.

The Color Guards attended services at Lindaberry Park on Memorial Day. They also gave credit to their stay in Band Camp at Yo-Men-Ca.

ASSEMBLY COMMITTEE

Whenever there wasn't a program being presented by one of the high school clubs, our Assembly Committee came through to present one of their own. Even when another club was in charge of a program, this organization was still at work, either providing a Bible reader, or contributing a master of ceremonies. This year the assembly committee was headed by Arthur McKee and Barbara Hageman. Mr. Papale was their adviser. Under the assembly committee, there was a Bible committee, directed by Nan Miller.

Mr. Searfoss discussed "This Is Our Problem."

THE CRIMSON AND MOUNTAINEER

Two of the things which BHS can boast about were its newspaper, "The Crimson" and its junior companion, the "Mountaineer." Through the constant efforts of the editors-in-chief; Grace Onderdonk and Virginia Rogers respectively, and their adviser, Mr. Papale, these publications have been a valuable record of the activities and personalities that were part of life at BHS.

"The Crimson" was published six times by a staff of students from the entire school, while the "Mountaineer" staff consisted exclusively of Freshmen and Sophomores.

DRAMATIC CLUB

The Dramatic Club lends its bits to the program under the big top. Its acts are few, but paramount in entertainment. Along with the annual play, a smaller play is usually presented for the hands around the grounds—our fellow students. Many of the kids in the Dramatic Club learn the art of make-up, setting a stage or assembling costumes. The stage crew along with the shop-men and scenery painters build realistic sets for various occasions. Many new devices are constantly being tested and tried for various effects. The Dramatic Club teaches as it entertains and will continue to develop talent.

"Seventeenth Summer" by Maureen Daly was given as the school play on November 21 and 22. A large audience enjoyed the performances.

The play told the story of Angie, a seventeen year old, who met Jack, a basketball star, during the summer. At their first meeting Jack asked Angie to go sailing with him. But Jane and Margie, two of Angie's so-called "friends," did not want Angie to date Jack because they liked him. Later these two schemers took the opportunity to break Angie's and Jack's love for each other by telling Jack that Angie was now interested in Tony, who was known as a "wolf."

Angie and Jack, because of an argument, broke up for a while, but all turned out well when Jack came to see Angie off for college.

TRI-HI-Y

The Tri-Hi-Y, under the leadership of Joyce Ryan and the guidance of Miss Hosmer, has become one of the finest clubs in BHS.

This group made up of ninety-eight Sophomore, Junior and Senior girls was successful in organizing a bowling league, making favors for the Lyons Veterans' Hospital — packing Christmas gift parcels for service men overseas, and holding its annual Christmas party.

The school will remeber the wonderful assembly, starring Charles Higgins, which the Tri-Hi-Y presented. The girls sold candy after school and at football and basketball games.

The Tri-Hi-Y, in conjunction with the Hi-Y, sponsored the Valentine Ball; a festive occasion enjoyed by all—especially the King and Queen, Don Koppes and Sally Downs. Another project was the Commencement Dance, given for the Seniors.

In May, at the annual Mother-Daughter Banquet, the '53-'54 officers were installed. To end the year, the girls spent a weekend camping at Camp Yo-Men-Ca.

Delegates attended the County Council meetings and two State Conferences. Janet Boss was elected Central Atlantic Area Vice-President in February.

HI-Y

King Don is crowned at the annual Ball.

The Hi-Y, with Ben Field as its president, has again proven itself as one of the most popular and largest clubs for boys at BHS.

The club teamed up with the Tri-Hi-Y to put over a colorful and most enjoyable Valentine Ball — its largest social event of the year. Athletically, as well as socially minded, the boys participated in the local basketball league and enjoyed swimming at the Morristown "Y."

Ben Field, Phil Weinseimer, Dan Kirby, Ted Jenkins and Joe Brush represented the club in attending a state-wide, week-end convention at Atlantic City. The convention was held in an effort to better school, local and Hi-Y citizenship. The boys spent an enjoyable and profitable time and returned to give many interesting and helpful facts to the club. Representatives from the club also attended the annual Model Legislature in Trenton.

The Hi-Y not only benefits its members, but under its fine character standards of Christian living it strives to promote the general welfare of the school and of the community as well.

PROJECTION CLUB

The Projection Club under the competent guidance of Mr. Walkem and the capable leadership of Ken Catlin, is one of the most active clubs in school.

The purchase of a new projector and the two da-lite screens at the beginning of the year doubled the ability of the club to carry out its main function, which is to show classroom movies.

The Projection Club was strictly "Circus" this year by cleaning and painting the projection booth. The members also showed their fine school spirit by financing a full length movie with the added attraction of several cartoons.

With the help of Mr. Watson, the Projection Club performed a great service for the students of BHS by showing movies during lunch periods. The success of this project was proven by the large and enthusiastic attendance.

F. T. A.

The purpose of the Future Teachers of America is to give students an outlook on the field of teaching. This year's president was Nan Miller with Miss Gentzler as the adviser.

There were many interesting programs and projects during the year: a formal induction of officers, the "initiation" of new members dressed like old-fashioned schoolmarms, a movie on teaching as a career, a Christmas project for the Matheney School in Far Hills, a trip to the U. N., a survey of graduates concerning college life, a series of faculty panels and the Alumni Dance in the Spring.

LATIN CLUB

Fortunately, we did not spend all our spare time as nothing but clowns. The Latin Club—opened to Juniors and Seniors who have studied two years of Latin—took field trips to help develop a more formidable appreciation of the establishment of our own civilization.

Under the able supervision of Miss Harvey and President Mike Ruggerio, plans were made to see a high-class drama and visit the Cloisters and the Frick Museum.

Some of the meetings have been lectures, but mostly the fellows worked on repairs or construction of radio or mastery of Morse Code. The last project was the building of a "ham" radio station for present and future "hams" at BHS.

The 1952 football team, with Mr. Jacobson as new head coach, compiled a respectable record of three wins, three loses, and two ties. Aiding Mr. Jacobson were assistant coaches, Mr. Hegstrom and Mr. Tenewitz. Team captain was Don Koppes.

Starting off with ties against two strong teams, Roxbury and Hackettstown, the Mountaineers showed the spirit and determination which was to stay with them all through the season.

In the backfield, Don Koppes, running and throwing the pigskin, was the key man. The running of Ben Field and John Hill, the punting of Warren Jackson, and the blocking of Andy Mastrobattista starred. The speed of Bob Carter and Gary Snable made them useful on defense as well as on offense.

Mainstays in the line were: center—Dave Ericson, guards—Tom Germuska and John Abbondanzo and tackles—Ed Moose, Rocco Russo and Tony Cirillo. Ends were Dan Kirby, Mike Kirchiro, Bob Pearce, and Bill Beihl.

The squad as a whole displayed the teamwork that is essential in football.

The J. V. team was undefeated, finishing the season with four wins and one tie.

Man, oh man! This is the real thing.

THRU THE HOOP

The 1952-53 basketball team was off to a flying start by winning five of their first six games.

Unfortunately, they couldn't maintain that hot pace, and finished with a seven and ten record.

The starting five was composed of Captain Ted Jenkins, Dan Kirby, Glenn Tuffnell, Frank Woznak, and John Weinhofer. Completing the varsity squad were: John Hill, Gunnar Berg, Dick Mondoux, Bob Carter, and Harry Goetchius.

The Bernards Mountaineers finished third in Somerset County competition, placing Frank Woznak on the all-county team. After a fine victory over Hackettstown to close out the regular season, the Mountaineers lost to Highland Park in the state tournament.

Mr. Fox's coaching was, as usual, "top-notch." He was assisted this year by Mr. Cotter, who handled the J.V.'s.

DIAMOND DRAMA

After working only two years with the baseball team, Coach Jacobson came through with a county championship last year. Assisted by Mr. Tenewitz this year, he was looking forward to another county honor.

Only four lettermen returned this year and the team was built around these men. They were: Andy Matrobattista (cf), Glenn Tuffnell (1b), Bob Senkbeil (3b), and Mike Ambrose (ss).

The promising newcomers that rounded out the team were: Warren Jackson (c), John Hill (p), Dan Schafer (2b), Dick Hoy (3b), Jim Carmichael (of), Carl Riccardi (if), and George Raitt (of). Not only did they contribute much help this year, but these fellows will make up the backbone for next year's club.

This year's track team came along well under the able coaching of Mr. Krumbiegel, in the running events, and Mr. Brasher, in the field events.

The outstanding runners were: Charley Bocchino, in the mile; Joe Kneser, in the 880 and Bob Pearce, in the quarter; Bob Carter, in the sprints; Don Koppes and Gunnar Berg, in the hurdles. Ben Field and Bob Deutsch also added strength in the hurdles. In the field events: Dave Ericson, in the high jump; Don Koppes, in the shot put; and Ben Field, in the pole vault; all turned in outstanding performances.

The coaches, as well as the other members of the track team, were pleasantly surprised by the performances of some of the new-comers to the team. Both John Forbes and Chris Goes were outstanding in the field events and Austin Conover excelled in running.

With Captain Koppes leading the way in the meets, each member of the team showed a maximum amount of spirit and determination in their own show under the Big Top.

LETTER GIRLS
ROW ONE: A. Szarek, M. Floden, J. Bayless, J. Niebel. ROW TWO: C. Blaine, J. Brush, J. Harris, S. Myers, A. Guallarano, K. Kleist, H. Curley.

GIRLS' SPORTS

Sports activities are very popular among the girls in BHS. They began their sports season with basketball in February, ending in June with baseball and archery.

Every girl tried her best to win a "B," but only a few of the girls won this hard earned sports letter. Each girl must earn 500 points, by participating in several sports activities, to win a "B."

Basketball started with class games and then finally the big games ended the basketball season. It was a real compliment to be chosen to play the big color teams.

Baseball and archery followed a little later in the Spring. One should have seen the girls hit those homers and shoot those bulls-eyes. They were really terrific!

Girls sports were not all extra curricular activities. On Tuesdays and Thursdays they practiced volleyball, shuffle board, badminton and, of course, ping pong.

The girls took a sincere interest in all sports activities. They were to be commended for the excellent spirit they had shown in sports throughout the year.

BASEBALL—KNEELING: A. Guallarano, J. Koller. ROW ONE: J. Bayless, S. Myers, G. Onderdonk, J. Brush, I. Norell, B. Carswell, C. Shauger, M. Holmes. ABSENT: V. Koller.

ARCHERY—M. A. Weiss, E. Wortmann, B. Carswell, G. Onderdonk, J. Bayless, C. Shauger, J. Koller, S. Smith, J. Weining.

Our program made possible

The show is over, the audience has gone and the lights are dimmed. The odor of peanuts, popcorn and hot dogs mingles with the rising smell of dust and sweating flesh from the rings below. Our canvas comes down for another year.

Our book has ended. The debris piled high on desks has cleared, closets are bare—only a lone photo, sketch or piece of copy left behind hints of the activity which once was.

Before the gates swing closed, I'd like to take my stand before a certain red wagon and express sincere gratitude to: those of the Senior class who believed in the purpose of our Bernardian; the administration and faculty for their endless co-operation; Mrs. Dorothy Thoms and Mrs. Beatrice Hutcheson for their willingness to help; the James MacFaddens for their inspiration; the Campus Publishing Company and their indispensable Mr. Earl Nichols; Miss Helen Yeagle and her art department; Mr. George Boughton and the boys in shop; Joyce

Mr. Michael Dubus—the Custodian who keeps our three rings running, financially.

Mrs. Edna Beihl—our District Clerk who keeps all books for the "Red Wagon."

thru help of our

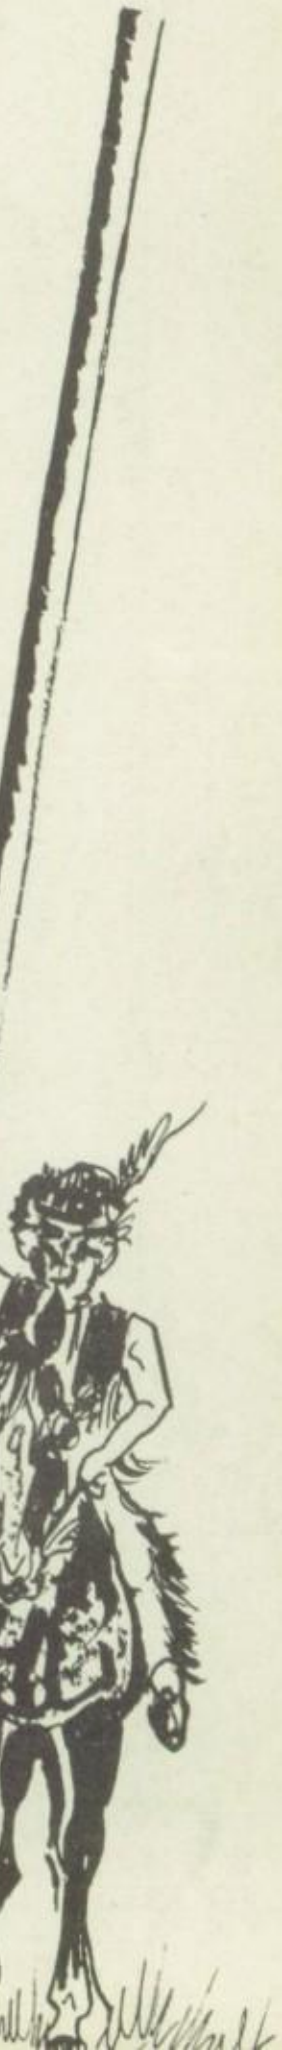
Mr. Harry B. Clay, Jr.—a patient man with a camera.

Ryan, who is indeed a true friend; Miss Marjorie Dunham, the Basking Ridge librarian who always found another "Circus" book; my mother, Mrs. Newton Bray, who checked endless lists of names; Harry B. Clay, Jr. our photographer; Al Cortright, whose shoulders were broad enough to hold all problems and complaints; Peter Styvesant, who came to the rescue with some photos; Mr. Gunnar Floden, who was so generous with his photography equipment; The Bernardian Staff, who helped to make the Bernardian tangible.

On behalf of BHS, the 1953 Bernardian Staff and the alumni, I extend a hand of many thanks to Miss Katherine Hosmer who has been adviser to the Bernardian for nine years.

The gates are closed, and closed they will remain until the 1954 Bernardian Editor opens them and begins to probe for new ideas to satisfy all who partake in the next circus under the BHS Big Top.

GRACE SIMPSON
Editor-in-Chief



Mr. Vincent Bottiglia—Head Janitor in maintaining our "grounds."

On March 19, 1953, the Bernadsville Fire Company came to the aid of our "Big Top" and its burning cloakroom.
